Oh ok awesome. Definitely get back in contact with Karen when you know, she called me as well but I wasn't available to take her call. If I haven't thanked you lately I'm thanking you now for watching over all the neonics while I've been out. I know it's a lot of work so I really appreciate you taking it on and kicking butt in the process.

Our extension was only till today, however, AAPCO filed an additional extension request on Friday, May 1, 2020 (see attached). This is the extension that I am waiting to see what management wants to do with.

Oh there was an additional comment period extension past the already extended May 4<sup>th</sup> date? How long was management thinking of extending it?

**Subject:** RE: Neonicotinoid registration review

Hi Steven,

Thanks for forwarding this. I contacted Dana this morning about this request, and we are waiting for word from upper management. I will contact Karen back once I receive further guidance.

Be well,

Matt

I'll let you two respond since I'm on detail, but May 4<sup>th</sup> *was* the extended date was it not? Hope you both are doing well.

**Subject:** Neonicotinoid registration review

Good morning, I'm aware that the comment period for this review is posted as today, May 4, 2020, but had seen a request that the comment period be extended and would like to know if such an extension will be granted. Please respond and let me know, thank you.
